Reg. No. 0062027610

563/20.january.2015

To:
HUNGARIAN KEMPO ASSOCIATION

In attn:
His Excellency, LACZA Adam, President

Your Excellency,

By this letter, in the name of the International Kempo Federation, it is our honor to state once again Hungarian Kempo Association is recognized by our international sport federation as the only national governing body representing Hungary. As you know, the International Kempo Federation is organized in respecting of olympic criterias, rules and principles, being also in the advanced working process to start applying as Sportaccord member. This is why, by our statue, it is allowed and to recognized and to have just one organization per country as member of the International Kempo Federation.

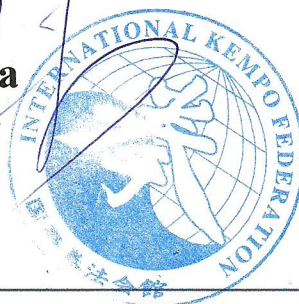

Coming by this, we officially inform you that HKA is the only hungarian organization being able to decide and to organize the national Kempo team for participating in the IKF World Kempo Championships, organized in between 27.april-03.may.2014 in Antalya, Turkey.

On the other hand, we would like to bring to your attention that Kempo it is very well developed in Hungary, many other hungarian organizations having activities in this popular mixed combat sport. This is why, we would like to respectfully ask you to find a good and diplomatic solution for the goodness of Kempo in Hungary, by cooperating with all the others Kempo organizations from your country, making togheter a strong and united hungarian national Kempo team. By our informations, one of the largest is Hungarian ZenBuKan Kempo Association, this is why we respectfully ask once again your Excellency that, despite of all artificial conflicts, to find a good solution to cooperate with this organization as well.

Hungary is a proud and great country who deserve to be very well represented internationally, and we trust you have the power and high diplomacy to create a strong and united national Kempo team for participating in the IKF World Kempo Championships 2015.

Looking forward to meet all of you in Antalya, we remind you once again that just UNITED WE ARE STRONGER.

Amatto Zaharia
Executive-President
